

## American Lincoln Parts

American Lincoln Part - The American Lincoln division is now associated with the Nilfisk Advance Industrial Group in Plymouth, MN, USA. They specialize in floor cleaning machines that are known in the industry as durable and strong machinery that suits the needs of larger infrastructure and heavy industry. American made products; the sales are conducted nation- wide via direct Government sales, national accounts, and authorized distributors.

American Lincoln shares the battery operated walk behind version of floor scrubber with the Clarke Company who is currently likewise owned by Nilfisk Advance. Their production operations are primarily based in Springdale Arkansas. These scrubbers are obtainable in the market under the brand name "Encore". American Lincoln can provide machines, parts and warranty service for these types of scrubbers that carry both the Encore and Clarke logos.

Distributed in Target and Wal-Mart distribution centers, the 7765 floor scrubber model is the highest selling floor scrubber in American Lincoln's line and the 7765 has become a trusted model for numerous facility supervisors where results and efficiency make a difference. Lately, this floor scrubber model has been requested by the architects in different construction jobs like Home Depot's and Lowes Home Improvement Stores. Flooring contractors use this sweeper scrubber on location due to the model's utmost performance level and high standard of quality for polishing concrete.
